Praise the Sun Massage 50 min € 67,00

Massage that promotes skin elasticity by restructuring and mineralizing the epidermis layer. Improved skin hydration makes this treatment ideal for post-sun, dehydrated or aging skin. Effective in preventing or improving the appearance of stretch marks or sun spots.. The juice and pulp of aloe Vera is used in synergy with coconut oil which moisturizes, refreshes and calms redness after excessive exposure to the sun.

Floral touch Massage 50 min € 67,00

A nourishing, soothing and rejuvenating massage using Thai organic brown rice oil, extracts of flowers and plants and pure lotus, jasmine and frangipani essential oils. The antioxidants in the brown rice counteract the production of free radicals responsible for cell aging therefore the skin is left looking fresh ,toned, and elastic.

Bio Draining Massage 40 min. € 46,00

Relaxing massage that promotes lymphatic drainage of the lower limbs using refreshing aromatic oils and red grapevine cream . This massage lightens the legs, relieves puffiness, and reactivates both lymphatic and blood circulation which in turn makes the whole body feel rested and refreshed.

Thai Foot Massage 50 min € 57,00

Ancient Eastern Traditional Massage dating back to India where Buddha's doctor friend Jivaca Komarabhacca devised massage techniques still used today after 3,000 years.

The foot massage is one of the more interesting massages on offer. We use finger pressure maneuvers, stretching and friction on the energy meridians to improve the bodies circulatory and lymphatic system and to stimulate the internal organs, as well as restoring the bodies energy balance - necessary to keep the body in good health.

Recommended as a great massage after long walks or sporting activities, to cool-down and restore energy to the lower limbs and generally soothe muscle and joint pain.

Thai Herbal compress Massage 60 min € 73,00

In Thailand ancient massage techniques and utilization of herbs for healing were continue to be used not only by masseurs or healers, but also by local people on a regular basis. The curing properties found in the plants used have such good results when used to rejuvenate the body and nourish the skin and hair .

From this ancient traditional practice, today we have designed a combination of herbs to relax both the body and mind, relieve pain and restore the circulation of energy throughout the body.

Using heat treatment with stones or heated bags originates from ancient therapeutic practices. This ritual detoxifies, drains excess liquid, and relieves pain; leaving you feeling restored and refreshed and also stimulating your metabolism and improving the appearance of cellulite. This ritual also assists in calming the mind and promotes sleep.

Ayurvedic Head and Face Massage 40 min. € 46,00

Ayurvedic Head massage has been practiced in India for thousands of years, and this massage is still considered to be one of the most effective massage techniques available. This deeply relaxing massage focuses on the areas where we carry the most stress and tension - the head, neck, shoulders and upper back. Ayurveda can be compared with traditional Chinese medicine due to its theory that treating the energy pathways for healing body, mind, and consciousness are important for an all-round well being. This massage is representative of the style practiced by Rasayana Chikitsa . This treatment is carried out with precious and aromatic herbs selected and customized for each client, The rich warm oils are gently massaged over the face head and shoulders soothing the nervous system and nourishing the body while strengthening blood circulation. This treatment also instills calm and induces sleep.

Ayurvedic Abhyanga Massage 50/90 min € 69,00/96,00

Traditional Ayurvedic massage designed to balance the three doshas Vata, Pitta and Kapha. Customized essential oils are applied with a healing touch. These warm oils deeply penetrate cells and release physical, mental and spiritual toxins, therefore the treatment is detoxifying as well as healing. This massage promotes healthy circulation and eases joint and muscle pain whilst nourishing the mind and body and relieving chronic fatigue. Promotes a deeper, calmer sleep.
